

**SPM'13 - Oral Presentation Prize** is to award the best short oral communication selected from the abstracts submitted on Microbiology Research, attributed by The Portuguese Society for Microbiology and funded by *Alfagene*.

Rules & Eligibility:

1. The presenting author should not be more than 35 years old at the date of the Congress.
2. The Jury of the Award, to be announced at the beginning of the Congress, includes two members of the Board of SPM and three experts of recognized competence in Microbiology.
3. The communication of the final decision of the jury and the award will be made public at the closing session of Congress.
4. The jury may not award the prize if it understands that there is no work deserving that distinction.
5. The award can be combined with other awards granted under the MicroBiotec.
6. The jury's decision will be taken by the majority of its members with no right to appeal.
